Are you an experienced Nail Tech who is looking to offer options to you nail clientele? Entity Director of Education, Yuliya Normand, will be teaching you the skills to create a beautiful pink and white nail enhancement with Entity One Liquid and Powder System. Entity One Acrylics are created with the finest ingredients that are safe and strong, yet flexible with beautiful clarity.

This class will provide you the knowledge, products and skills to enhance your career and help you grow your clientele.

A model with "naked nails" is needed at 1pm. A list of items to bring to the class will be provided.

Yuliya Normand (@life.of.nailartist)
Director of Education for Entity Beauty

Born and raised in the heart of Ukraine, Yuliya started nail school over 20 years ago and joined the Entity Beauty team in 2011. Yuliya's favorite style remains the signature Entity look of sculptured acrylic French nails. Today, Yuliya loves how advanced and versatile the nail world has become and enjoys customizing the service for each client and student. As the Director of Education for Entity Beauty, Yuliya is very excited to continue this journey and be an inspiring educator and leader to the Entity team around the world.
